Additional information

Additional information:

Hebros hotel dwells in 19th century Renaissance houses.

The buildings combine the romantics of the past centuries with all the extras of our time – satellite TV, air conditioning, sauna, jacuzzi.

The ten rooms of the hotel are furnished with authentic antique furniture and each has its own style.

In the haet /lobby/ on the second floor you can meet friends or listen to the sound of 150 years old “Berger” piano.

Hebros is style, coziness, hospitality and professional service that make the visitors come back again.

Hebros restaurant has been nominated for “The Restaurant of the year 2003” by “Bacchus” magazine and continues to be among the best of the country.

The restaurant with stone-tiled garden under fig

trees and vines , prepared with fresh seasonal products.

You can also taste the finest Bulgarian wines served with matching dishes.

Hebros is a place where you can also listen to famous jazz and blues musicians.

Famous and young artists also exhibit their works...
