Additional information

Additional information: The new four-star "GRAND MONTANA" complex is situated less than 400 m away from the lift station of Bansko and it opens a remarkable view to the snow magic and sharp peaks of the Pirin Mountains.

The hotel was built at the end of 2006 in a style which is a mixture of typical Bulgarian architecture and Alpine look, which implies its own impressive character when it comes to interior and offered services. The complex of apartments has 144 main beds, distributed in 50 double rooms /studios/, one-bedroom and two-bedroom apartments and 1 Presidential apartment /three levels included/ with luxury furniture made of natural wood and interesting interior.

In "GRAND MONTANA" there is a modern SPA-center with last-generation apparatus which includes indoor swimming pool, sauna, steam bath, solarium, fitness, tangentor hydro-massage bathtub, Jacuzzi, massage and relaxation therapies from Asia and Egypt. The "GRAND MONTANA" offers its

“Pirin” hall, which has a capacity of 100 seats and all necessary equipment for organizing conferences, seminars, presentations, press conferences, company and other meetings and other events. Here you can find the only fish and seafood restaurant, “CASA DI MARE”, in the whole region and its refined interior with upholstered furniture and individual sections is the perfect place for business dinners, cocktails and family reunions. Add to the above-mentioned special offers our lobby bar, room-service, underground and ground parking area and this will make your stay here be of full value - relaxing and unforgettable.

The “GRAND MONTANA” is suitable both for tourists who have just come here to enjoy the amazing conditions for skiing, which the ski-runs in Bansko provide, or hide from the heat of the summer in the coolness of the mountain, and for business people who have decided to arrange their business meetings or company parties and celebrations here, but also for people chasing the harmony, tranquility and ease which the programs of our SPA center offer. The complex works on an all-year-round basis and due to its interior and exterior can infect you with the charm and magic of each of the seasons of the year. Our specially-trained, friendly and kind team of professionals, who speak English, German, Russian and Serbian, will make their best to make you always be in high spirits and spend unforgettable moments with us. With its attractive power and magnetism, the “GRAND MONTANA” is a unique, refined place, which will amaze you from the first step you make to enter it and will make you forget time and space.

Our chain of hotels “T HOTELS” has been continuously working on the improvement of the services we offer and has been adding to their number and variety new fresh ideas. We do hope that you will stay stunned by the look of this marvelous hotel “GRAND MONTANA” and you will be coming back over and over again.
