Additional information

Additional information: Situated at the foot of Vitosha Mountain with a splendid view to thereto, the AMBASSADOR Hotel enchants the guests, who prefer the contact with nature and the cozy atmosphere of the luxurious hotel.

Comfort, calm atmosphere, and convenient transport facilities connecting the hotel with the administration and transport centers of the capital contribute the hotel to be preferred as a place for relaxation and also for holding seminars, forums, and business meetings.

The AMBASSADOR Hotel has 60 rooms and 12 suites (4 of them being de luxe). All rooms are furnished with satellite TV, radio, direct phone line, minibar, and all contemporary facilities.

The Lobby-Bar is situated in the central lobby of the hotel. Through its rational architectural design and the enchanting view, you will conduct your business meetings or just enjoy the numerous alcohol and soft drink cocktails. Share the best moments in your life

with us in the comfort and smooth atmosphere of the lobby bar!

The Main Restaurant with 100 seats adds to the comfortable atmosphere and the direct contact with nature. On the background of the impressively towering Vitosha Mountain, you will be offered rich and exquisite international cuisine. You can also enjoy the specialities on the open terrace of the restaurant surrounded by excellently trimmed green areas and rockeries.

It is hardly a coincidence that seminars and business forums are often held at the AMBASSADOR Hotel. The two conference halls - "Ambassador" and "Sofia", which are at the disposal of the hotel have been equipped with modern facilities and possibilities for translation as well. You can conduct your activities in a confidential atmosphere having all facilities at your disposal.
