Additional information

Additional information: Hotel Medic is situated at a strategic place in Medical Academy – Sofia, near the National Palace of Culture. The communicative placement of the hotel makes it a favorite place for performance of variable events: seminars, sport, celebrations, etc.

The emphasized business style of the hotel is perfectly combined with the coziness and tranquility radiated by all the 24 rooms in the complex.

In the hotel you can find rooms with two, three and four beds, apartments and a suite. All the rooms are equipped with separate bathroom, TV-set with many channels, a telephone and an air-conditioner. Special facilities are available for guests with disabilities.

The hotel offers also a restaurant that is opened 24h a day, winter and summers gardens, barbecue and a parking.

The hotel provides all the necessary conditions both for a wonderful rest and for business meetings.

Situated in the center of Sofia , the restaurant of Hotel Medic offers all the time variable cuisine and freshly cooked dishes both for the guests of the hotel and for every customer or company. The restaurant having winter and summer gardens is a wonderful place for fast and delicious lunch or for a nice dinner with friends.

A place for children with fountain placed in the inner part of the restaurant.

The winter garden provides coziness with its fireplace. The summer garden is beautifully arranged with plenty of flowers.
