Additional information: Balchik is situated about 10 km far from Albena and 50 km far from Varna. This town is located in the picturesque north part of the Bulgarian seaside. The area is ecological clean.

The town offers a splendid and still atmosphere appropriate for family relaxation. Its immediate proximity of Varna's international airport, railway station and harbour ensures relation with the whole world. The sights of the town are the Palace of the Romanian queen and the unique botanical garden.

We offer you a pleasant atmosphere for the summer season. There is assured transport for visiting places of interest /with extra paying/.

It is possible to use a separate kitchen and a room with well-supplied bar.
