Additional information

Additional information: The Sunny house is a rare and special place of inspiration and beauty. You will find it in Marafeltsi village – only 4 kilometers away from Elena town in the middle of Bulgaria. It is the kind of place where you instantly feel “at home”, with a constant source of pleasure: breath-taking mountain scenery, healing air, huge trees, pathways and shady lawns. The Sunny house is hundred years old, fully restored in the domestic architecture style and has all modern comforts to give you the best holiday ever. At your disposal are 4 double rooms, dining room, wooden terrace and spacious yard meeting a beautiful field and forest. You can rent the whole house or single rooms. The hostesses will provide you facilities for delicious grill and barbecue dishes, warm evenings in font of the fireplace and more treats for your soul among the unique nature sides. For fishermen 20 minutes away afoot is Jovkovtsi Lake. The climate in this area is known for a long time as healing for pulmonary and chronic diseases.
