Additional
information:

The cottage is with 21 beds. It is situated in the centre of Ahtopol, near the post office. It is about 150 m. from the beach.

The base offers double rooms with a local WC, WC for 2 rooms (for 4 or 5 people) and a big apartment (for 6 or 7 people).

Each room is with a balcony and a view towards the sea. Apartment for 6-7 persons with 2 bathrooms+WC.

For our guests we offer a big terrace from which you can see all the bay and the sights of the town.

Ahtopol is the southernmost city on the Bulgarian Black sea coast. It is 87 km south from Bourgas. The city is approved to be one of the most ecologically clean cities in Europe. Ahtopol is situated on a picturesque coast, near the slopes of the Strandza Mountain and the crystal clear waters of the South Black Sea. Here the blend of space and comfort gives you excellent opportunity for your rest. The creek of the Veleka river - one of the most intriguing rivers of Bulgaria - is just 5 km south from the city. The place is known for its unique natural resources, which attracted ecologists from all over the world to explore its rare vegetal and animal lifeforms, typical for the ecologically clean places which stayed untouched by the human till present.
