Additional information

Additional information: Hotel Riviera is situated in one of the most attractive and desirable resorts - Ravda. The village enjoys close proximity (5 min) to the ancient city of Nessebar with beautifully preserved architecture, being one of the important historical landmarks on the Balkans.

The exciting resort of Sunny Beach is also within walking distance, offering the whole specter of services as well as a wild night life, presented by the numerous tumultuous discos, fashionable bars and high quality restaurants.

The local amenities, sea park, newly built attractive "Aqua Park" and the beautiful unspoilt beach are ideal places for walk along the sea side or entertainment with your friends and children.

Situated in the resort village of Ravda, in close proximity to the astonishing sands of the central

beach. Hot sunny days for your incredible summer vacation. Holiday resort Ravda lies between Bourgas and Sunny Beach, close to the city-museum Nessebar. Ravda has wonderful opportunities for relax at special prices and excellent conditions. Calmness, luxury and beautiful environment. You will gain unforgettable memories at Hotel Riviera. We offer to our guests precise service, tasty kitchen and cheap prices. Situated close to the beach, that is always under care for a clean and golden sand!

Situated between Ravda and Nessebar only 50 meters from the beach Hotel Riviera disposes with 16 rooms, 4 studios and 2 apartments. All rooms are cozy furnished and have air condition, minibar and terraces with amazing view to the sea.

The hotel itself has its own bar and restaurant, where you can taste many traditional Bulgarian dishes, prepared with competence from our Chief cook. In case that you arrive with a car, there is a parking place beside the hotel, where you can leave your car undisturbed.

On the roof of the hotel you can find the Panorama terrace revealing a splendid view of the azure sea. And if you don't want to swim in the sea, you can do it in the hotel pool under the hot sun!
