Additional information

Additional information: In the ideal center of the city of Varna you will see a building of impressive architecture, precise details and well-considered strategy for location ...

I would like to express my gratitude to architect Radoslav Dimitrov for working out an architectural design - masterpiece and providing me with this challenge to be perfect.

The impressive interior, discreet and calm atmosphere will fascinate you.

Your guests and business partners will appreciate your exquisite offer to communicate in an elegant setting.

The non-stop service, high-quality drinks and nice feeling to take care of you are part of the challenge for being perfect.
