Additional information

Additional information: The biggest four-star balneocomplex in Velingrad, fully supplied with mineral water. It is located in a pine-three park in the center of the town. Built in a unique architectural style on ancient Roman therms, SPA Club Bor offers traditional methods and the newest healthcare achievements. There are 140 luxurious rooms, studios and apartments. There are six different catering places at your disposal, which are suitable for any mood and hour of the day. The hotel part has 48 double rooms and 88 apartments – attractive as design and color decision. All rooms and apartments in the hotel are equipped with plasma TVs, mini-bars, internet, satellite, telephones in the bathroom and the room. Outdoor car park for 80 cars.
