Additional information

Additional information: Situated in the central area of the architectural reserve Zheravna, the house is a typical representative of the renaissance times. Zheravna a place where the time has stopped! Here you can go back in time and really relax! We offer: - Two spacious rooms, one with 2 single beds and the other with one double bed and a baby cribkids bed. Each one of the rooms has its own private bathroom. - Beautiful green yard with a lot of flowers and private stone fencing. - A balcony with wonderful views to the south. - Everybody can prepare their own food at the typical area or Mehana, which has kitchen appliances, a fire place and a barbeque. - Outside fire place and barbeque. - Two parking spots right next to the house and a big parking area only 50 meters away from it.
