Additional information: The life in Balchik is calm and uncrowded with an outstanding natural beauty. It's really a paradise under the sun at a very low price.
Those who like to explore should visit the Palace of the Romanian Queen Mary and the world famous Botanical garden a 5 minutes' walk from the villa.
There are many restaurants in traditional and European style, bars, shops, discos, sports activities, a yacht club along the beach - 5 minutes away from

the villa.

The city is constructed on different terraces and is surrounded by beautiful white hills, that's why it is called "The white city".

The villa is situated in an unbelievably beautiful town dating back to 6th c. B.C. with a unique atmosphere and architecture! The villa is comfortable with the privacy, discretion and relaxed atmosphere of home. An Ideal place for a real break.
