Additional
information:

The Royal Golden Sands hotel is an all-year-round hotel in the Golden Sands resort, only 500m away from the Bulgarian riviera and 400m away from the unique Kabakum beach which is pure, with many restaurants, bars and aquatic entertainment.

The beach of the hotel complex stands at a distance of 150m. It takes about 5 minutes by walking to get to it.

At the disposal of the guests offered are free parasols and chaise – longues to the swimming pool, which is in close proximity to the restaurant and the summer garden, offering a unique verdure and calmness to guests.

The Royal Beach hotel complex disposes of a supermarket where one can buy sunbathing goods, sun – protection cosmetics and beverages.

The hotel was built in 2007 – with a sea view, and disposing of a spa centre, a parking lot, a restaurant and conference halls.
