Additional Complex "Apollon"
information:

is a luxury apartment complex consisting of 7 buildings, located on one of the most picturesque places along the Bulgarian Black Sea coast, the so-called "Gulf of The Sunken Ship". It is 1 km from Ravda and 2 kilometers from Nessebar.

The complex is near the beach, as Apollon 1 is only 50 meters from the sea.

There is wonderful landscaping and every building has a swimming pool with children's pool attached. Available to guests are: Jacuzzi, playground, tennis court, small soccer field, sauna, 24-hour security, parking, restaurant, snack bar and supermarket.

We offer apartments for rent as well as studios, one bedroom, two and three bedroom apartment. The hotel in the complex offers rooms for two to three people.

All apartments are stylishly furnished and have kitchens equipped with everything necessary for cooking and dinning.

Transfer is provided from and to Burgas Airport, as well as various excursions and entertainment for residents.

The complex is one of my favorite places on the Bulgarian Black Sea Coast, combining proximity to the sea, Old Nessebar, Sunny Beach and a fantastic Aqua Park.

Great place for sea vacations at low prices and excellent professional service, ideal for individual and family tourism!
