Additional information: The combination of healing mineral water, mild climate and location in a picturesque area of the country offers our guests unique and relaxing experience. The hotel is located 4 km from the beautiful village of Varvara at the foot of the Western Rhodopes on the northern slope of the hill Alabak. The distance from hotel Aqua Varvara to

Sofia is 110 km, to Pazardzhik 19 km, to September 6 km and to Velingrad 22 km.

Each of the rooms has following utilities:

- Shower with mineral water
- Hairdryer
- Air conditioner
- TV

The guests in the apartment can indulge themselves in using their personal jacuzzi.

The restaurant of the hotel offers traditional Bulgarian cuisine which includes delicious local dishes. The chef would prepare for you special homemade food for you and your family. We also have the unusual practice of organizing thematic lunches. The restaurant has place for 32 people and also 60 more available places on the terrace. If You wish, You could prepare your own barbeque in the garden.
