Additional information

Additional information: If you want to hide away from the dynamic everyday life in the big city and to sink yourself into the beautiful Rhodope Mountains, if you want to feel the glory of the nature - it is possible only here - in its heart. Nothing is more impressive than the touch of the Bulgarian national spirit here in the soul of the marvellous mountain. If you look for the solitude, calmness and seclusion, than our offer is exactly for you. The villa is situated 1100 metres above sea-level in Socolovtsi village (on the mainroad between Plovdiv and Smolian, within 2 km next to Momchilovtsi village, within 9 km of ski-centre Momchilovtsi with secure transport to there and within 14 km of Pamporovo)

It is suitable for all kind of tourism, rest, skiing, hunting, cheerful holidays, relaxation and intimate meetings. There are one room with three beds, two rooms with two beds, a comfortable dining-room with multifunctional sofa, a summer garden with barbecue and car-park. There are a bath and a lavatory and a satellite television in each room. In

addition you can use kitchen, sauna and ski-equipment. If you want to delight in a home-prepared specialties from the native cuisine or folk music, it will be a great pleasure for us to carry out your wishes. We offer stewed lamb for bigger groups.

Health centres and the other state services are closely situated. The quietness, which we ensure you and the loneliness you enjoy are only one small part of our hospitality. We will be infinitely pleased if we succeed to make you happy.
