Additional information: The four-star VIVA Club Hotel is located at the beginning of Golden Sands Resort close to the main road connecting Varna, Golden Sands and Albena. The hotel was built up after an individual design replacing the previously existing Koprivshitsa Hotel and was entirely reconstructed and modernized in 2002/2003. Belonging to the hotel there are open swimming pools available for adults and children as well as sports and medical centre providing

conditions for active relaxation, well equipped fitness centre, Finnish sauna and Turkish sauna – “hamam” type, indoor Jacuzzi for eight people. The availability of sports and conventional massage completes the recreation service package supplied by VIVA Club .

VIVA Club Hotel has eight floors and consists of a Main Restaurant and a Lobby Bar. There are 8 single and 202 double rooms, 35 studio flats and 12 suites available. All rooms are furnished by the European standard and are equipped with satellite TV, telephone and air-condition.
