Additional information

Additional information: The hotel offers 4 double rooms, 2 triple rooms and 5 apartments with a local heating. Each room has a cable TV and a mini-bar.

At your service is a cozy restaurant with a summer terrace where you can taste Bulgarian national dishes and Rodopean specialities. Separate halls one of which with a fireplace are suitable for small family parties. Qualified ski-instructors and complete ski equipment are at your disposal. After a long walk in the mountain or an exhausting day on the ski slopes you can relax in a sauna, massage and also to catch a tan in the solarium. Transport from and to the airport and ski slopes is provided for hotel guests.

The hotel is working all year and is suitable for both ski holidays and summer recreation.
