Additional information

Additional information: Bulgari Boutique Hotel is located in the heart of Sofia in a recently renovated building (2004), part of the city's historical heritage. Within a walking distance of the major business, government and shopping district. Five minutes walk to the major Catholic Cathedral, the most famous Mosque of Sofia and the newly renovated Old Mineral Baths. It is also close to the biggest Orthodox Cathedral on the Balkans – St. Alexander Nevski, the National Museum of History, the former King's Palace and the present National Art Gallery, as well as to many other historical landmarks.
The hotel is only 12 km away from Sofia

International Airport and 2 km away from the Central Railway Station. Only 15 km from Vitosha Mountain, which offers wonderful skiing facilities during wintertime.
